

Nozzle extensions & pipe extensions

Our modular extensions for spray guns make it easy to reach hard-to-reach areas. Whether undercuts, angles or narrow areas - any surface can be coated effortlessly with our extensions. Thanks to their modular system, you can assemble the extensions to suit your needs. Standard lengths are available in 100 mm increments, but special lengths are also available on request.

Standard pipe lengths (100mm increments)*

Nozzle extension „DV“: Ø 19mm / 60mm, 100 - 1,000mm

Pipe extension „RV“: Ø 8mm / 100 - 800mm

*Spray guns with gravity cup: max. 300mm
